REGIONAL ASSOCIATIONS	
The Ontario Prospectors Association supports local prospecting associations in mining communities across Ontario. These organizations represent the local voice of the OPA and its members as a whole on local issues. Part of your membership fees can be redistributed to the Association of your choice and this will also provide direct membership with that group. There are many reasons for selecting a local group, such as its location closest to your mineral interests in the province.	
Please check the group of your choice (one only)
